HOME OF THE PIRATES!

Alma Mater

Three-hundred strong sing we a song
Bluffton High to thee, oh, worthy art thou of praise.
When in the fray at close of day
Another team we see, our cry of victory we raise,
Our cry of victory we raise.
Bluffton High School, Bluffton High School,
Hail to thee, hail to thee, Bluffton High School.
Oh, Bluffton High forever.
To us art ever dear.
We hail thy works and pleasures.
Thy name we love to hear.
To thee we will be loyal, to thee, we will be true.
Oh, Bluffton High forever, we sing all hail to you.

Fight Song

Fight the team across the field
Show them that Bluffton's here.
Set the earth reverberating with a mighty cheer
B.H.S.
Hit them hard and see how they fall,
Never let that team get the ball.
Hail, hail, the gang's all here
so let's win that ol' ball game now.

BLUFFTON HIGH SCHOOL
STUDENT/PARENT POLICY HANDBOOK
2021-2022

INTRODUCTION: Welcome students to the 2021-2022 school year! This handbook is for all Bluffton High school students. Therefore, all students regardless of age, are responsible for and must adhere to all regulations contained within. All of our policies are developed for the good of the total operation of our school and for the good of the entire student body. It is the duty and responsibility of the faculty, staff, administration, and student body to create an educational atmosphere that is necessary in developing a fine school that is conducive to learning. Best of luck for a successful school year at Bluffton High School.

MISSION STATEMENT: The mission of the Bluffton Exempted Village School District is to provide a safe and stimulating environment in which flexibility is encouraged in meeting the needs of every student, and to value all persons and learning in order to develop individuals who demonstrate problem-solving skills, personal responsibility, and a desire for lifelong learning.

VISITORS: All visitors must report to the office and must be approved by the Principal.

ATTENDANCE: Good school attendance is critical for a good education. Classroom attendance, the interaction with the instructor and fellow classmates, and the student's active participation are necessary for learning to take place. Teachers are encouraged to make attendance patterns an integral part of their student management system. Parent(s)/guardian(s) must notify the school on the day a student is absent unless previous notification has been given in accordance with school procedure for excused absences. The principal or his designee is also required to notify a student's parents, custodial parent, guardian, legal custodian or other person responsible for his/her when the student is absent from school. Parents or other responsible persons shall provide the school with their current home and/or work telephone numbers, and home address, as well as emergency telephone numbers. **EXCUSES MUST BE SPECIFIC** as to the reason for the absence. A list of all unexcused students will be provided to all classroom teachers at the end of each school day. When a student is absent from school, he/she may not participate in or attend after school activities on that day, (i.e., sports practice, contests, club meetings, band practice, etc.) unless approved by the principal.

ATTENDANCE REGULATIONS

It is the duty of Bluffton High School to enforce the compulsory attendance law. Therefore, students will be allowed **eight (8)** days of absences per semester. Any absences over (8) days per semester without a physician's excuse or administrative permission may result in a loss of credit for that grading period and treated as unexcused absences. (Days of classes missed because of representing Bluffton High School do not count. Arrangements must be made with the instructor for missed assignments.)

Any student, who misses more than 8 days in a semester course and 16 days in yearlong course, may receive an attendance failure.

ATTENDANCE FAILURE: The student will receive the grade they have been assigned for the course, but will not receive any credit for the course.

EXCUSED ABSENCES: Excused absences entitle a student to make up any school work missed within a reasonable amount of time. Absences based on one or more of the following conditions will be excused: (1) personal illness; (2) death or illness in the immediate family; (3) observance of a recognized religious holiday; (4) quarantine for contagious disease; (5) other circumstances or emergency situations which the principal deems legitimate. If a student's absences, excused and/or unexcused, exceed 8 days in semester courses or 16 days in yearlong courses, a medical certificate will be required from a doctor if the additional absences are to be excused. We realize that there may be special situations and in those cases the principal will deal with each situation on its individual merits.

UNEXCUSED ABSENCES: School work missed during an unexcused absence can be made up for 75% of the grade. Unexcused absences usually include, but are not limited to, (1) needed at home; (2) gainful employment; (3) oversleeping/missed the school bus; (4) car trouble of any kind; (5) running non-emergency errands. (6) out of school suspensions or expulsion. **PERSONAL REASONS** will also be unexcused unless specific reasons are given to, and prior approval is obtained, from the principal. If a student's absences, excused and/or unexcused, exceed 8 days in semester courses or 16 days in yearlong courses, a medical certificate will be required from a doctor if the additional absences are to be excused. We realize that there may be special situations and in those cases the principal will deal with each situation on its individual merits. If a student is absent from school because of illness, and he/she attends a school function that day, either as a participant or spectator, or goes to work, the absence will be unexcused.

HABITUAL TRUANCY: "Habitual" truancy is any child of compulsory age who is absent without a legitimate excuse for 30 hours (**five** or more) consecutive school days, 42 hours (**six** or more school days) in one month, or 72 hours (**eleven** or more school days) in a school year. If a student is considered "Habitual Truant" an absence intervention team will meet with parent/s of the child to develop an absence intervention plan. If absences continue within a period of time designated in the plan then the school district is REQUIRED to file a complaint to the Juvenile Court. Students who are truant 10% or more of the required attendance days (18 days) may be subject to attendance failure.

EXCESSIVE ABSENCES: Excessive absences is any child of compulsory age who is absent with or without a legitimate excuse for 38 hours in one month, or 65 hours in a school year. If a student is considered excessively absent an absence intervention team may meet with the student and parent/s of the child to develop an absence intervention plan. If absences continue within a period of time designated in the plan then the school district may file a complaint to the Juvenile Court.

PROLONGED ABSENCES: Students unable to attend classes for a lengthy period, but who are able to study at home, may call the guidance office to make arrangements to send school work home.

MEDICAL APPOINTMENTS: Students who must be out of school to secure any medical service must bring a note back from the doctor/dentist.

TARDINESS: Students who are tardy to school must report to the office. A student is tardy for almost any reason if they arrive after 8:05 a.m., but prior to 9:43 a.m. (If a student is tardy three or more times in a semester, additional school time will be assigned in accordance with the Minor Misconduct Code, Item 4). Tardiness to class will be handled by each individual classroom teacher. If a student reports to school after 11:23 A.M., he/she will be considered absent 1 day. Any student who comes to school after 10:34 A.M. (BEGINNING OF 4TH PERIOD) OR WHO IS SENT HOME DUE TO ILLNESS DURING THE SCHOOL DAY WILL NOT BE ELIGIBLE TO TAKE PART IN ANY TYPE OF AFTER-SCHOOL EVENT OR ACTIVITY AS A PARTICIPANT OR SPECTATOR. This clause (10:34) can only be used 2 times in each sport season, unless special permission is granted by the Principal. We realize that there may be special situations and in those cases the principal will deal with each situation on its individual merits.

VACATIONS: (Defined as an extended absence from school with the immediate family). Excused vacations will be restricted to a maximum total of 10 days per year, and 5 days in any semester. If a vacation is planned during the school year, students must have a "Permission to be Out of School" form completed and returned no later than 24 hours prior to leaving (when the absence exceeds 1 day) if their absence is to be excused. Students will not be excused to vacation with a friend's family. **GROUP TRIPS:** The school does not provide for class trips. Individual groups or classes will not be excused from school to participate in functions which are not sanctioned and supported by the school. Students missing school for reasons not normally considered valid may be excused if they have the prior approval of the principal. However, these excuses will only be permitted for unusual circumstances and will not be allowed to develop into a pattern nor set a precedent. **GENERALLY STUDENTS WILL NOT BE EXCUSED FROM SCHOOL FOR A FAMILY VACATION THE LAST WEEK OF EITHER SEMESTER. HOWEVER, SPECIAL PROVISIONS MAY BE MADE IF IN THE OPINION OF THE PRINCIPAL THEY ARE WARRANTED.**

OVERNIGHT TRIPS FOR THE BAND AND CHOIR: In order for a student to be eligible for an overnight trip with the band and/or choir, the following guidelines must be met: 1. No more than one unexcused absence from school for the year at the time of the trip. 2. The student must have a "B" average or higher in the class that is taking the trip: band or choir. 3. A student that has been expelled, suspended, or sent to the alternative school will not be eligible for the trip. 4. A student that has been assigned a Saturday School may be eligible for the trip only with Principal approval.

If a student that has paid for the trip is not allowed to attend, every effort will be made to get whatever refund is possible from the company that is coordinating

the trip. However, students/parents must realize that there is the possibility that no money will be refunded.

EARLY DISMISSALS: Whenever a student needs to leave school early for any reason other than lunch, he must notify the office in the morning **prior to the first period**. Emergency situations during the day such as a student becoming ill, will be handled through the principal's office. A phone call will be made to parents for any emergency dismissal. No one may sign out without parental and administrative approval. If a student leaves school without the permission of the office, he/she will be considered truant and disciplinary action may be taken. If a student becomes ill while at home for lunch during the noon period, his/her parents must notify the school by phone.

COLLEGE VISITATIONS: College visits will be approved for students (2 day for second-semester Juniors; 1 days - Seniors) who have met specific criteria by the guidance office.

EXTRACURRICULAR OR CO-CURRICULAR ACTIVITIES: It is expected that high standards of conduct and attitude be a part of all extracurricular endeavors. The same standards that apply to in-school behavior are demanded for out-of-school activities (home or away) of extracurricular clubs, organizations, and teams. Participation in these activities is not a right, but a privilege that may be regulated. Therefore, all students who participate or attend extracurricular activities must follow the Student Handbook. Failure to comply with these regulations at these activities will result in disciplinary action. Remember that students assume the same responsibility and legal liability in an "off-campus" activity as they do when on campus. Inappropriate behavior at an extracurricular event may result in denial from future attendance at activities, Saturday School, progressive school suspensions, alternative school, expulsion, and/or permanent exclusion.

ELIGIBILITY: In addition to OHSAA eligibility regulations (which students must pass 5 credits the previous nine weeks to participate), Bluffton School policy states that any students grades 9-12 receiving 2 or more F's or receiving less than a 1.00 G.P.A. in a given grading period will be considered ineligible for the next grading period. This policy is specifically covered in the athletic handbook and may be obtained by contacting the athletic director. Students must adhere to the policies set forth in the athletic handbook.

SPORTSMANSHIP: Extracurricular activities are a part of the total educational process and the same level of responsibility and behavior is expected at practices and competitions as is expected in the classroom. Should individual students act in a manner detrimental to the school and student body at any extra/co-curricular activity, they will lose the right to attend contests and events involving other students and schools and may be subject to further disciplinary action.

STUDENT PASSES: Teachers shall not allow a student to leave the classroom without a properly signed hall passport, these passports will be given to students

the first day of school. Students are not to be in the halls without a passport or a signed pass from a teacher. Students must go to their desired destination by the most direct route. Hall passes can be restricted or denied at any time by the teachers or the administration.

LOCKS AND LOCKERS: All students will be assigned a locker with a combination lock. If a student loses his/her lock, replacement locks are available at a cost of \$10.00. All lockers are to be kept locked at all times. *Money or other valuables should never be left in lockers.* The right to enter a locker for any reasonable cause that may affect the health, safety, and/or welfare of the students is retained by the school administration. Students should also note that lockers are the property of the school and are subject to random searches without cause.

SEARCH AND SEIZURE: In order to insure the safety and wellbeing of all students, teachers, school employees and guests, it is the policy of this school district to authorize its administrators to search the clothing and personal effects of students where such a search is reasonably necessary under all the surrounding circumstances. In order to conduct such a search, it is not necessary that the administrator have probable cause to believe that a crime or violation of a school rule has occurred. It is necessary only for the administrator to have reasonable suspicion to believe that a search will produce evidence that a student has violated or is violating a law or school rule. If such reasonable suspicion exists, an administrator may conduct a search of a student's person or personal effects including vehicles. The search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the possible infraction that may have or may be occurring. Dog searches using K-9 units from law enforcement agencies may be used to search the school building, parking lot and grounds.

SECURITY SURVEILLANCE CAMERAS: Security surveillance cameras, located inside and outside the school campus, may be used to record student activity and the recordings may be used for discipline. Due to privacy rights of students, the recordings are not open to public view.

SCHEDULE CHANGE: Schedule changes will only be made in the most severe cases and/or where there is an academic reason. Schedule changes will be made only during the first week of school and the change must be approved by the Principal. When it is necessary to drop a course after the first week of the semester, permission of the guidance counselor, a parent (if under 18), and the principal must be obtained. A grade of WF will be recorded in the student's permanent record, and "0" credit included in his G.P.A. This includes band and choir. Cases with mitigating circumstances will be considered on an individual basis by the principal. Credit flexibility is a program allows qualifying high school students to earn high school credits through the successful completion of a proposed curricular plan. Information regarding this opportunity is available in the guidance office.

COLLEGE CREDIT PLUS: This program allows qualifying high school students

to earn college and high school graduation credit through the successful completion of college course work at eligible post-secondary institutions. CCP courses dropped after two weeks will result in a withdraw failing grade on the high school transcript. A student who does not receive a passing grade will be responsible for reimbursing Bluffton Exempted Village Schools for the cost of the course. Information regarding this opportunity is available in the guidance office.

TESTING: Students are required to take the End-of-Course state tests in the spring for English 9, English 10, Algebra 1, Geometry, Biology or Integrated Science, American History and American Government during the year the courses are taken. All juniors will take the ACT free of cost at school during the second semester. Students should see the guidance counselor for additional ACT and SAT information/dates.

STUDENT RECORDS: During the school year various types of information are mailed to the parents/guardians of students. Also, the need sometimes arises to notify parents in case of an emergency. Therefore, the school requests the filing of an Emergency Medical Form with the office within the first week of each new school year. Changes in address or phone numbers during the school year shall be made as soon as possible to the high school office so that records may be updated.

Student records are confidential. Only the staff and student's parent have access to the records. Directory information such as name, address, phone number, date and place of birth, participation in officially recognized activities and sports, weight and height if a member of an athletic team, dates of attendance, date of graduation, awards received, major field of study, etc. is not confidential. A divorce or change of custody does not change the rights of a natural parent to his/her child's records. A non-custodial parent can request a copy of the child's grade card (stamped, self-addressed envelopes must be provided), permanent record (stamped, self-addressed envelopes must be provided), and the opportunity to hold a teacher conference. Only the custodial parent has the right to make educational decisions. With the passage of a Federal Law, directory information on students must be given to the US military upon request. If a parent objects to giving this information to the military, a parent or student, must give the office a letter stating the objection and then that student can be taken off the list. Please note that if a student is taken off the list for the military, that student is taken off all lists that would be sent out with directory information. This request needs to be turned in by September 15th of each year.

COMMENCEMENT CEREMONY: The opportunity to participate in the graduation ceremony is a privilege for seniors and not a right. In order for qualified students to participate in the ceremony, proper attire is required, including the cap and gown representative of the school. Any student displaying inappropriate behavior or possessing any disruptive objects at either the graduation rehearsal or graduation ceremony will be disciplined in an appropriate manner as determined by the administration. In order for a senior to participate in the ceremony, he or she must fulfill all graduation requirements.

DANCES AND PARTIES: Plans and procedures for all school social events must be discussed and approved with advisors and the principal well in advance of the event. At a minimum, one faculty member and one parent must be present to supervise all school parties and dances.

BULLETINS, ANNOUNCEMENTS, AND SIGNS: Students wishing to have an announcement made must have it signed by a teacher and approved by the principal before 8:00 A.M. Announcements will be made at the end of first period. Signs may be posted only in approved areas. Signs must first be approved by the principal.

AFTER SCHOOL HOURS: The school will open at 7:30 A.M. Students who must arrive before this time must receive prior permission from the principal and remain in the cafeteria until 7:30 a.m. All students are expected to be out of the building by 3:30 P.M. unless they are engaged in a supervised after school activity.

MEDICATION: Medication must be presented in its original container and brought directly to the office upon arrival at school. A non-prescription bottle of medication brought to school must have the student's name on the bottle and the appropriate authorization form must also be completed. All medication must be accompanied by the appropriate medication form completed by the parents and approved by the school nurse. The medication form can be found on our school website or picked-up in the office. This must be completed each school year or whenever medication or dosage changes. If medication is not in the original container and/or the form is not completed correctly, the medication will not be given that day but will be stored in the office until school is dismissed. A record of the dispensing of medication will be kept in the office. In the absence of the school nurse, office secretarial personnel or the building administration will dispense medication. All medication will be taken in the office and in the presence of a school official.

PUPIL TRANSPORTATION GUIDELINES: The State Board of Education adopted pupil transportation management policies that are developed cooperatively by school administrators and transportation personnel. Policies are designed to ensure the safety and welfare of all school bus passengers and include:

STUDENT DISCIPLINE/CODE OF CONDUCT: Education cannot proceed without good discipline. Good discipline is the presence of a friendly yet business-like rapport in which students, teachers, and administrators work

toward accepted goals.

Bluffton High School will honor the suspension and/or expulsion from another district, in or out of state, for the duration of the suspension/expulsion. In addition, Bluffton High School will honor the discipline given to students that attend Apollo Career Center.

If a student is assigned to the alternative school, suspended, or expelled, these students are not permitted to participate in any school/district activity.

MISCONDUCT CODE: A violation of any of the following rules may result in disciplinary action including detention, Saturday school, emergency removal, in-school suspension, suspension, or expulsion. This list of rules is not all inclusive. When necessary, charges may be filed with Allen County Juvenile Court.

Included in this prohibition are any substances represented as a controlled substance, steroids, and look-alike drugs or intoxicants (near beer- O'Doul's, e-cigarette, etc.). This policy shall also apply to counterfeit controlled substances.
5. **Extortion:** No student shall obtain or attempt to obtain money, items of value, or special favors from anyone by implied or expressed threats or intimidation.
6. **Unauthorized Possession of Property:** A student shall not steal or attempt to steal or be in possession of stolen property, any school or private property, or the personal property of other students or school personnel, either on school grounds or during a school-related activity, function, or event off the

school grounds.

7. **Harassment/Intimidation/Bullying:** Harassment, intimidation, or bullying means either of the following :

- I. Any intentional written, verbal, or physical act that a student had exhibited toward another particular student more than once and the behavior both: a.) causes mental or physical harm to the other student; b.) is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.
- II. Violence within a dating relationship.

Conduct constituting harassment may take different forms, including but not limited to the following:

SEXUAL HARASSMENT

Sexual harassment is defined as unwanted sexual advances, or unwanted verbal, visual or physical conduct of a sexual nature. A student who feels he/she have been a victim of sexual harassment should file a sexual harassment complaint with the principal.

- A. Verbal: The making of written or oral sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, or threats to a fellow student, staff member, or other person associated with the district.
- B. Non-Verbal: Causing the placement of sexually suggestive pictures, or graphic commentaries in the school environment or the making of sexually suggestive or insulting gestures, sounds, leering, whistling, and the like to a fellow student, staff member, or other person associated with the district.
- C. Physical Contact: Threatening or causing unwanted touching, contact, or attempts at same, including patting, pinching, pushing the body, or coerced sexual intercourse, with a fellow student, staff member, or other person associated with the District.

GENDER, ETHNIC, RELIGIOUS, DISABILITY, HEIGHT, WEIGHT HARASSMENT

- A. Verbal: Written or oral innuendoes, comments, jokes, insults, threats, or disparaging remarks concerning a person's gender, national origin, religious beliefs, etc. toward a fellow student, staff member, or other person associated with the district. (Hate speech). Conducting a "campaign of silence" toward a fellow student, staff member, or other person associated with the district by refusing to have any form of social interaction with the person.
- B. Non-Verbal: Placing objects, pictures, or graphic commentaries in the school environment or making insulting or threatening gestures toward a fellow student, staff member, or other person associated with the district.
- C. Physical: Any intimidating or disparaging action such as hitting, hissing, or spitting on a fellow student, staff member, or other person associated with the district.

CYBER-BULLYING

An electronic act of abusive behavior including, but not limited to, taunting, threatening, stalking, intimidation, and/or coercing by one or more individuals against other students or staff, perpetuated with computers,

cellular phones, internet websites, and/or any other electronic device. Such actions are subject to a variety of disciplinary actions notwithstanding the possibility of suspension.

Any student who believes that he/she is the victim of any of the above actions or has observed such actions taken by another student, staff member, or other person associated with the district should promptly take the following steps:

1. If the alleged harasser is a student, staff member, or other person associated with the district other than the student's principal, the affected student should, as soon as possible after the incident, contact his/her principal.
2. If the alleged harasser is the student's principal, the affected student should, as soon as possible after the incident, contact the superintendent.

The student may make contact either by a written report or by telephone or personal visit. During this contact, the reporting student should provide the name of the person(s) whom s/he believes to be responsible for the harassment and the nature of the harassing incident(s). A written summary of each such report is to be prepared promptly and forwarded to the principal.

The district recognizes that determining whether a particular action or incident is harassment or, conversely, is reflective of an action without a discriminatory or intimidating intent or effect must be based on all of the facts in the matter. Given the nature of harassing behavior the district recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against fellow students, a staff member, or others associated with the district.

This guideline does not negate the requirements for reporting suspected child abuse to the proper authorities in compliance with child abuse law. Some forms of sexual harassment of a student by another student may be considered a form of child abuse, which would require that the student-abuser be reported to proper authorities in compliance with State law.

8. **Hazing:** A student shall not recklessly participate or permit the hazing of another. Hazing is defined as doing any act or coercing another to do any act of initiation into any organization that causes or creates substantial risk of causing mental or physical harm to any person.
9. **Fighting:** Students shall not participate in fighting or other activities which may provoke fighting or a physical altercation.
10. **Threats:** No student shall direct any verbal or written physical threats toward other students, school personnel, school or personal property. Any threat made in reference to using a weapon will be dealt with promptly and with serious consequences. In addition, the local police department will be contacted, and criminal charges may be filed in accordance to the law.
11. **False Alarms/911 Calls:** No student shall participate in the act of initiating a fire alarm or false warning report of a fire or an impending bombing, or other

catastrophe.

12. **Unauthorized Fire:** No student shall willfully and/or maliciously burn or attempt to burn all or any part of private or school property. No open flames of any sort are permitted. A student shall not have in his/her possession a lighter, matches, or any other flammable materials.
13. **Dangerous Weapons and Instruments:** A student shall not possess, handle, transmit, or conceal any object which may cause or threaten to cause physical injury to any person in school or on school property. It is a felony for any person to knowingly convey, attempt to convey, or possess any deadly weapon or dangerous ordinance onto or on any property owned by or controlled by, or to any activity held under the auspices of a school. STUDENT RENAISSANCE PROGRAM REQUIREMENTS: The student oriented incentive program is to provide awards for the achievements based on academics, attendance, and behavior. The student will be awarded the appropriate colored card in accordance with his/her level of achievement. In return, the student will receive incentives based on what level of Renaissance Card they hold in a given grading period. Every student has the opportunity to earn one of the four levels of Renaissance Cards every grading period (nine-week grading period). Cheating and/or plagiarism is a violation of the program and the student is not eligible the next nine weeks. Students are responsible to sign-up for the Renaissance Program each quarter during the designated days to join. The card levels are as follows:

Gold Card: 4.0 GPA; 2 absent occurrences* not to exceed 1 day or 1 occurrence not to exceed 5 days; 2 tardies; no disciplinary actions**.

Silver Card: 3.3-4.0 GPA; 3 absent occurrences* not to exceed 2 days or 2 occurrences not to exceed 5 days; 2 tardies; no disciplinary actions**; no D's or F's.

Red Card: 2.5-3.299 GPA; 3 absent occurrences* not to exceed 2 days or 2 occurrences not to exceed 5 days; 2 tardies; no disciplinary actions**; no D's or F's.

White Card (Pirate Card): (Perfect attendance; 1 tardy; no disciplinary actions**; no "F's") or (Raise GPA; 3 absent occurrences* not to exceed 2 days or 2 occurrences not to exceed 5 days; 2 tardies; no disciplinary actions**; no "F's".)

* Absences refer to occurrences, not actual days. For example, if you have the flu and miss 3 days in a row, that is one occurrence of absence. One occurrence cannot exceed five days. If you take a vacation for 5 days that is 1 occurrence, but if it is more than 5 days then it would count as 2 occurrences. However, if you leave at noon for the remainder of the day, that is also one occurrence of absence even though it might appear as half a day on your grade card. Appointments will not count as an occurrence if you come to school by 9:30, leave after 1:30, or return to school within 2.5 hours.

** Disciplinary actions include unexcused absences, detentions, office referrals, Saturday School, suspension, expulsion. 'Attitude' includes not breaking school rules and being responsible for your actions.

Rewards: All students who earn a card will receive a Renaissance rewards. The rewards will depend on the level of the card, but may be free study day or period, raffle prizes, or passes to athletic events, Reimbursement for ACT, SAT, PSAT, exemption for semester/final exams. Reduced group rates for incentives. Students may not use a Renaissance study day during the last week of a grading period.

Rules: Students must register EACH nine weeks to be eligible for a card.

Generally, grade cards are passed out on a Friday, and registration will be the following MONDAY and TUESDAY (at table near cafeteria). If you do not register, you will not receive a card! Late registration is not accepted unless the student has been absent both days of registration. Cards will be punched when announced.

Appeals: if a student applied for a card but did not receive one, check with one of the Renaissance advisors for an explanation immediately. If a card was denied for a reason such as absences, but the student believes there were extenuating circumstances such as a funeral or a hospital stay, an appeal may be filed. The appeal must be turned in within three days after cards have been passed out. Appeals forms are available from the advisors.

Some general attendance guidelines: if a student needs to visit a doctor or dentist (for example), the appointment should be scheduled for first thing in the morning or at the end of the day. A student who returns to school by the end of second period with a doctor's excuse or does not leave until the last period of the day will not be charged with a Renaissance absence. During the school day, if a student goes to a doctor but returns to school within one hour, this, too, will not be counted as a Renaissance absence.

HONOR ROLL: Students with all A's or B's will be on the honor roll for each nine week grading period.
