A MESSAGE FROM THE PRINCIPAL

We would like to welcome you to the 2021-2022 school year! Together we have the opportunity to help shape the future! It is the goal of the elementary staff to provide your child with a supportive and caring environment. We strive to provide many opportunities that will develop self-esteem, self-motivation and a sense of responsibility while mastering grade level required state learning standards.

We encourage parents to be actively involved in the education of their children. We invite you to participate and help enrich your child's experience. Please read the "Student/Parent Handbook" and refer to it for information that can help guide you and your child. Best wishes for the new school year!

BLUFFTON SCHOOLS MISSION STATEMENT

The mission of the Bluffton Exempted Village School District is to provide a safe and stimulating environment in which flexibility is encouraged in meeting the needs of every student, and to value all persons and learning in order to develop individuals who demonstrate problem-solving skills, personal responsibility, and a desire for lifelong learning.

I. GENERAL INFORMATION

COMPUTER USE POLICY

ACCEPTABLE USE POLICY

The Bluffton Exempted Village School District is pleased to make available access to interconnected computer systems within the district network and to the Internet for the purpose of productivity, research, curriculum delivery, professional development activities, and electronic storage in the pursuit of learning. The District Board of Education has policies which govern the access and use of computer and network systems. This Acceptable Use Policy is a guideline for use and a contractual agreement between the end user of said systems and the Board of Education. All end users of said systems must take responsibility for appropriate and lawful use of their access. Misuse under the guidelines of this document may result in loss of privilege to use computer systems, the network, and/or Internet access and may result in disciplinary action under Board Policy and/or the governing code of conduct.

Upon reviewing, signing, and returning this Policy and Agreement, each end user will be given an opportunity to enjoy access to computer and network systems at school and is agreeing to follow this agreement's guidelines and Board Policy. Anyone under 18 years of age must have his or her parent or guardian read and sign the policy. The Bluffton Exempted Village School District cannot provide access to anyone who fails to sign and submit the policy to the school as directed with accompanying signature of a parent or guardian if required.

If you have any questions about the guidelines below, please contact the District Superintendent.

I. Personal Responsibility

By signing this Policy and Agreement, you are agreeing not only to follow the rules in this Policy and Agreement, but are agreeing to report a misuse of the network to your immediate teacher, supervisor, or director. Misuse means any violations of this policy, Board of Education Policy, or any other use that is not included in the policy, but has the effect of harming another or his or her property.

II. Term of the Permitted Use

A properly signed and submitted copy of this document is required to have a computer account activated for a given school year. Accounts will be deactivated on September 15 of the school year for anyone who has not complied. A new agreement must be submitted by September 15 of every school year for an end user to retain access to a computer account.

III. Purpose and Use

A. The Bluffton Exempted Village School District is providing access to its computer network and the Internet for educational purposes only. If you have any doubt about whether a contemplated activity is educational, you should consult with your immediate teacher, supervisor, or director to help you decide if a use is appropriate. The following guidelines and procedures shall be complied with by staff, students, or community members who are specifically authorized to use the District's computers or network services:

Expectations for the use of the computer/network include but are not limited to:

1. Do make full use of Computer and Network access to enhance, enrich, and enliven the education process at all levels of the district.
2. Do make use of the Computer and Network access to store files, run approved software programs and simulators, perform research, produce original documents, projects, and

- presentations, and communicate in the pursuit of instruction and learning.
3. Do seek help and/or advice when appropriate from your immediate teacher, supervisor, or director.
 4. Do use appropriate language and etiquette at all times as defined in Board policy and the applicable code of conduct.
 5. Do keep electronic messages brief and use appropriate language.
 6. Do report any security problem or misuse of the network to your immediate teacher, supervisor, or director.

The Board of Education assumes that all users understand the following guidelines for use of the computer/network:

1. Understand that Electronic mail (e-mail) is not guaranteed to be private. Systems managers have access to all messages relating to or in support of illegal activities and such activities may be reported to the authorities.
2. Understand that all electronic data that passes through a district owned computer or over the district's network is subject to monitoring and seizure and may be handed over law enforcement officials.
3. Understand that all electronic data created for the purpose of administration or instruction under the Board approved curriculum for a course or program should be assumed to be property of the District.
4. Understand that the rules and regulations of on-line etiquette are subject to change by the Administration.
5. Understand that the user in whose name a computer account is issued is responsible for its proper use at all times. Users must log off the computer to conclude a session or lock the computer if stepping away. Users retain responsibility for the activity of anyone accessing the computer and/or network under their account. Users shall keep personal account information, home addresses and telephone numbers private. They shall use this system only under the login and password information issued to them by the District. Users shall not grant others access to a computer and/or the network under their login and password.
6. Understand that computer systems and the District network shall be used only for purposes related to education or administration. Commercial, political and/or personal use of said systems is strictly prohibited. The administration reserves the right to monitor any computer activity and on-line communications for improper use. An Exception may be considered when a portable computer is assigned to staff for the purpose of at-home productivity outside of regular working hours. Staff is also permitted to check personal email should said email account be used for both work and personal use.
7. Understand that vandalism results in the cancellation of user privileges. Vandalism includes uploading/downloading any inappropriate material, creation or deployment of computer viruses and/or any malicious attempt to harm or destroy equipment or materials or the data of any other user.

Unacceptable uses of the computer/network include but are not limited to:

1. Do not violate the conditions of Federal and State laws dealing with students and employees' rights to privacy;
2. Do not reveal your personal home address or phone number or those of other students or colleagues or arrange a face-to-face meeting with someone you "meet" on the computer network or Internet.

3. Do not use profanity, obscenity or other language which may be offensive to other users. Illegal activities are strictly forbidden.
4. Do not use the computer and/or network for financial gain or for any commercial or illegal activity.
5. Do not use the computer and/or network in such a way that it disrupts the use of the computer and/or network by others.
6. Do not use the system to encourage the use of drugs, alcohol or tobacco nor shall they promote unethical practices or any activity prohibited by law or Board policy.
7. Do not view, download or transmit material that is threatening, obscene, disruptive or sexually explicit or that could be construed as harassment or disparagement of others based on their race, national origin, citizenship status, sex, sexual orientation, age, disability, religion or political beliefs.
8. Do not place copyrighted material on the system without the author's permission.
9. Do not read other user's email or files or attempt to interfere with another user's ability to send or receive electronic mail or attempt to read, delete, copy, modify or forge another user's email.
10. Do not repost (forward) personal communication without the author's prior consent.
11. Do not copy commercial software and/or other material in violation of copyright law.
12. Do not "hack", gain, or attempt to gain unauthorized access to computers, servers, computer systems, internal networks, or external networks.
13. Do not access and/or view inappropriate material.
14. Do not download and/or install freeware or shareware programs without the approval of the Technology Department.
15. Do not plagiarize copyrighted or non-copyrighted materials for personal gain, recognition, or as graded work.
16. Do not use, install, or attempt to install peer-to-peer file sharing programs such as Kazaa, Bittorrent, Limewire, Bearshare, and others.
17. Do not use social network sites such as MySpace, Xanga, and others and/or forum sites and/or blog sites for the purpose of posting slanderous or otherwise harmful information, whether true or untrue, about the character and/or actions of the district's students or staff on district or personal technology equipment.
18. Do not use instant messaging, text messaging, and Internet telephony services without the consent of your teacher, supervisor, or director.

IV. Privacy

Network and Internet access is provided as a tool for education, the Bluffton Exempted Village School District reserves the right to monitor, inspect, copy, review, and store at any time and without prior notice, any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the Bluffton Exempted Village School District, and no user shall have any expectation of privacy regarding such materials.

V. Failure to Follow Policy and Breach of Agreement

The user's access of computer systems, the network, and the Internet is a privilege, not a right. A user who violates this policy and breaches his/her agreement, may at the discretion of the Administration, have his or her access terminated for the remainder of the school year. The Bluffton Exempted Village School District reserves the right to refuse reinstatement of access for subsequent school years. A user breaches his or her agreement not only by affirmatively violating

the above policy, but also by failing to report any violations by other users that come to the attention of the user. Further, a user violates this Policy and Agreement if he or she permits another to use his or her account or password to access the computer network and Internet, including any user whose access has been denied or terminated. The Bluffton Exempted Village School District may take other disciplinary action.

VI. Warranties/indemnification

The Bluffton Exempted Village School District makes no warranties of any kind, either express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this Policy and Agreement. It shall not be responsible for any claims, losses, damages or costs (including attorney's fees) or any kind suffered, directly or indirectly, by any user or his or her parent(s) or guardians) arising out of the user's of its computer networks or the Internet under this Policy and Agreement. By signing this Policy and Agreement, users are taking full responsibility of his or her user, and the user who is 18 or older or, in the case of a user under 18, the parent(s) or guardians) are agreeing to indemnify and hold the Bluffton Exempted Village School District that provides the computer and Internet access opportunity to the Bluffton Exempted Village School District and all of their administrators, teachers and staff harmless from any and all loss, costs, claims or damages resulting from the user's access to its computer network and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user, The user or, if the user is a minor, the user's parent(s) or guardians) agrees to cooperate with the Bluffton Exempted Village School District in the event of the Bluffton Exempted Village School District's initiating an investigation of a user's use of his or her access to its computer network and internet, whether that use is on a Bluffton Exempted Village School District computer or on another's outside the Bluffton Exempted Village School District's Network.

VII. Updates

Users may be asked from time to time to provide new or additional registration and account information, which must be provided by the user if he or she wishes to continue to receive service. If after you have provided your account information, some or all of the information changes, you must notify Technology Specialist of the change.

Student Agreement Form

(Every user, regardless of age, must read and sign below):

I have read, understand and agree to abide by the terms of the foregoing Acceptable Use Policy and Agreement. Should I commit any violation or in any way misuse my access to the Bluffton Exempted Village School District's computers, computer network, and/or the Internet, I understand and agree that my access privilege may be revoked and disciplinary action may be taken against me as outlined in the applicable Handbook or Code of Conduct.

If I am signing this Policy and Agreement when I am under 18, I understand that when I turn 18, this Policy and Agreement will continue to be in full force and effect and I agree to abide by this Policy and Agreement.

Parent or Guardian Network Usage Agreement

(To be read and signed by parents or guardians of students who are under 18)

As the parent or legal guardian of this student, I have read, understand and agree that my child or ward shall comply with the terms of the Bluffton Exempted Village School District's Acceptable Use Policy and Agreement for user access to the Bluffton Exempted Village School District's computers, computer network, and Internet. I understand that access is being provided for educational purposes only. However, I also understand that it is impossible for the Bluffton Exempted Village School District to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for abiding by the Policy and Agreement. I am therefore signing this Policy and Agreement and agree to indemnify and hold harmless the Bluffton Exempted Village School District that provides the opportunity to the Bluffton Exempted Village School District for computer network and Internet access against all claims, damages, losses and costs, of whatever kind, that may result from my child's or ward's use of his or her access to such networks or his or her violation of the foregoing Policy and Agreement. Further, I accept full responsibility for supervision of my child's or ward's use of his or her access account if and when such access is not in the school setting. I hereby give permission for my child or ward to use the building-approved account to access the Bluffton Exempted Village School District's computers, computer network, and Internet.

BREAKFAST PROGRAM

A small grab-n-go breakfast (cereals, pop tarts, or granola items with milk) be served before school on a daily basis 7:35-8:05 a.m. in the Middle School Cafetorium. The price of a breakfast is \$1.50. However, the federal government has extended their free breakfast and lunch program for all students. Families are asked to still complete the free and reduced lunch program forms given to every child on the first day of school to update the amount of school fees required to be collected.

DIRECTORY INFORMATION

The District proposes to designate the following personally identifiable information contained in a student's education record as "directory information"; it discloses that information without prior written consent, except that directory information is not released for a profit-making plan or activity. Such information includes: student's name, student's address, telephone number(s), student's date and place of birth, participation in officially recognized activities and sports, student's achievement awards or honors, student's weight and height, if a member of an athletic team, major field of study, dates of attendance ("from and to" dates of enrollment) and date of graduation. Within the first three weeks of each school year, the District publishes the above list, or a revised list, of the items of directory information which it proposes to designate as directory information. For students enrolling after the notice is published, the list is given to the student's parent(s) or to the eligible student at the time and place of enrollment. Parents have until September 15th (or two weeks after registering your student during the school year) in which to advise the District in writing (a letter to the Superintendent's office) of any or all of the items which they refuse to permit the District to designate as directory information about that student.

FIELD TRIPS

In an effort to offer a variety of experiences for students, educational trips are taken throughout the year, with students transported by bus. Permissions slips signed by parents are required at the beginning of the year in order for students to participate in field trips. The parent's signature acknowledges that the parent is aware that the child will be away from school at various times. Teachers will communicate about the nature and purpose of each trip prior to the day of the trip.

FLOWERS AND BALLOONS

In order to maintain a minimum of class and office disruptions, student balloons or flowers should not be delivered to the school. They will not be permitted to be taken on a school bus.

LOST AND FOUND

Lost and found articles should be turned into the elementary office. Missing or stolen property should be reported to teachers and the office as soon as possible. The school will do all in its power to aid in the recovery of such items. Any item that remains at the end of the year will be given to a charity or will be destroyed. A table displaying lost items is available in the Middle School cafetorium.

LUNCH PROGRAM

A class "A" supervised lunch is prepared for children daily, with menus published once a month. The price of lunch including milk is \$2.50. A carton of milk purchased separately is 50 cents. However, the federal government has extended their free breakfast and lunch program for all students. Families are asked to still complete the free and reduced lunch program forms given to every child on the first day of school to update the amount of school fees required to be collected.

Students may still deposit money in their accounts any day of the week before school. They need to drop their money, in a sealed envelope with name and ID number, in a locked box in the cafeteria. This money may be used by students to buy extra items from the lunch menu. Parents may block this feature by calling the cafeteria.

The food service is willing to help students who have lost or forgotten their lunch money on occasion but lunch charges are for emergencies only. If charging privileges are abused then the privilege will no longer be available to that individual.

LUNCH RECESS

Children are expected to go outside in the fresh air prior to lunch, except during severe cold or inclement weather. Students will have recess before lunch because we are hoping they will eat better, digest better, and return to class more ready to learn. If a medical reason exists prohibiting a child from going outside at noon, a note from a parent explaining the reason should be sent to the teacher.

PHYSICAL EDUCATION

For the safety of students, rubber-soled shoes should be worn for physical education classes. In the event that a student is to be excused from participation in a physical education class, a written note from a parent should be sent to the homeroom teacher. A note from a doctor is required and should be given to the homeroom teacher if a student needs to be excused for more than one week.

PICTURES

Students will have an opportunity to have pictures taken each school year, typically in the fall and spring. Information is sent home with each child, including the envelope in which pre-payment is to be made and returned to the school prior to School Picture Day. Parents of pre-schoolers may also take advantage of this opportunity. Contact the office for photo information and to register a time to get your preschooler's picture taken. Student Memory books will be sold annually.

PROFESSIONAL QUALIFICATIONS OF CLASSROOM TEACHERS

Parents have the right to know the professional qualifications of the classroom teachers who instruct their child. Federal law allows parents to request the following information about each of their child's teachers:

1. Whether Ohio Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
2. Whether Ohio Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
3. The teacher's college major, whether the teacher has any advanced degrees, and if so, the subject (s) of the degrees.
4. Whether any teachers' aides or similar paraprofessionals provide service to their child, and if they do, their qualifications.

REGISTRATION & LEAVING THE DISTRICT

KINDERGARTEN REGISTRATION

Children must be 5 years old on or before August 1st to be admitted to kindergarten. All children entering kindergarten are screened in the spring before admission or upon registration during the school year. Parents of future kindergartners are requested to contact the school in January or February to be placed on a mailing list. An informational letter will be sent to parents by the beginning of March announcing procedures for enrollment. Registration packets will be available for pick up in the elementary office. Parents will need to make available to the school the following: birth certificate, immunization record, custody papers (as appropriate) and proof of residence (utility bill, rent receipt). After completion of registration materials, parents need to sign up for screening of their child to be held April 25-26. An orientation meeting will take place during the screening of future kindergarten students.

REGISTRATION - STUDENTS TRANSFERRING INTO THE DISTRICT

Parents/guardians of students moving into the Bluffton School District should register immediately (otherwise the previous school continues to be responsible for maintaining records of absences) including signing a release of records form that is available at the Bluffton Elementary Office.

The registration paperwork should be picked up at the office and must be completed prior to the child starting school. Some of the necessary documents for registration are: birth certificate, immunization record, custody papers (as appropriate) and proof of residency (utility bill, rent receipt).

STUDENTS TRANSFERRING OUT OF THE DISTRICT

When transferring to another school, please inform the Bluffton Elementary School office to assure accurate recording of information. A parent must sign a records release form at the new school so that records can be forwarded in a timely manner upon their official request.

SCHEDULES

The school does not provide supervision on the playground before 8:00 a.m. and after 3:00 p.m. Therefore, students should arrive at the school after 8:00 a.m. and are expected to go directly home after school. Once students arrive at school they are expected to remain on school property throughout the day. Parents dropping students off should do so after 8:00 a.m. Parents should pick students up at the front entrance for 3:00 p.m. dismissal. Bus riders will be dismissed at 3:05 p.m.

SCHOOL CLOSINGS/EARLY DISMISSALS/DELAYS

DELAYS AND/OR CLOSINGS

When it is necessary to close or delay school due to bad weather, announcements will be announced on the Alert System (See below for details), Lima Radio (WIMA and T102) and Findlay (WFIN). School closings are televised on WLIO TV 35 and announced on their website. (The WLIO school closing link is also on the Bluffton Schools' home page.) Please use these resources to find out if the school day has been altered. Delays are typically announced before 6:30 a.m. Please do not call the school concerning delays or closings. It is imperative that the phone line stays open on bad weather days in the event of an emergency situation.

BLUFFTON EXEMPTED VILLAGE SCHOOLS ALERT SYSTEM

If you would like to be notified of the delays and/or cancellations via a text message on your cell phone, visit the school's website at www.blufftonschools.org and sign up. On the website's home page, under the "Parents" heading, click on "Parent Alert System" and follow the simple steps to subscribe to alerts. Contact the office if you have any questions.

TWO YEAR KINDERGARTEN DELAY SCHEDULE: PLAN B

When school is delayed for two hours, the two year Kindergarten class will go to Plan B. This means that the two year kindergarten students will attend school, but will stay in school one hour later than usual. **The two year kindergarten class dismissal for walkers and bus students will be at 12:00 noon.** School will be dismissed at the normal time for students in grades K-5.

THREE HOUR DELAYS

If school is delayed three hours, the elementary starting time will be 11:10 a.m. and will dismiss at the normal time. Lunch will be served within 20 minutes of the normal time. **The two year kindergarten program will be cancelled.**

EARLY DISMISSAL

During inclement weather, at the time of special emergencies or early release events, it may be necessary to dismiss school early. Emergency changes will be announced over the same radio and TV stations as listed for school closings. Scheduled early release times will be noted in Student Newsletters. Parents should have arrangements made with their children about where to go in such situations. Parents will need to provide the school with information if drop-offs are at a different location from the usual routine. An early dismissal form will be sent home with students the first week of school.

STUDENT NEWSLETTER

A monthly Student Newsletter will be published and sent home with every elementary student. This Newsletter will be posted on the website at <http://www.blufftonschools.org>.

SUPPLIES & WORKBOOK FEES

A supply list will be sent home with every student at the end of the school year. It will also be posted on the school's website. It is expected that each child brings the supplies to school. This applies only to students in grades 1-5. Please contact the office if help is needed to purchase these supplies.

A school supply/workbook fee is charged to cover the cost of some of the consumable supplies such as: reading workbooks, scholastic newspapers, and art fees. There is a collaborative effort to keep the costs down and at the same time have the materials needed for daily learning experiences. Student Newsletters announce school fee costs for each grade level. Remittance should be made by October 16th. If a parent is unable to cover the entire cost the family's fees at one time, arrangements can be made for an alternative process of payment.

TELEPHONE – CELL PHONE USAGE

Students may be called to the office phone in case of an emergency but otherwise phone messages will be passed on to the teacher to give to the students. Students may use school phones for emergencies. If a student carries a cell phone, then it must be kept in his/her locker or book bag with all sounds turned off. If a cell phone is seen being used during school hours it will be confiscated. Students are permitted to use their cell phone after school is dismissed.

TESTING

Third grade students will take the Ohio State English Language Arts tests on October 20-21. Students in grades 3-5 will take the Ohio State English Language Arts tests on April 5 & 7. They will take the Ohio State Math tests on April 27-28. Fifth grade students will take the Ohio State Science

tests on April 20-21. Achievement testing in second grade will begin the week of January 18th. A parent may request a school policy or information regarding student participation in state mandated assessments.

VISITORS

For the protection of our children and to maintain a log of all non-employed persons entering the school such as parents/visitors/volunteers/college students, it is required that each person sign in at the office and get a name tag before moving throughout the halls or going to a classroom. If a person is seen in the school without a name tag, the person will be asked to report to the office to check in. All persons entering the building are expected to demonstrate respect for school personnel, students and property. Those not conducting themselves appropriately will be asked to leave. Such individuals will not be permitted to return to the building until approval is given by an administrator.

VISITING/OBSERVING CLASSROOMS

It is required that parents desiring to visit their child's classroom during the instructional period contact the teacher prior to the visitation. Arrangements for the visit should be mutually convenient.

VOLUNTEERS

We value and encourage parents and community members to help tutor and perform other types of volunteer work in the school. If interested in volunteering, contact the elementary office, a teacher, the Pirate-2-Pirate coordinator, or indicate an area or interest on the PTO fall survey. Contacts will be made in a timely manner. All volunteers must check in at the office upon arrival and departure.

II. ATTENDANCE POLICY & PROCEDURES

State law requires prompt and regular attendance of school age children. The following information includes various policies and procedures, plus notification of absence, excused/unexcused, late arrival/early departure/tardy, family vacations, habitual/chronic truancy and prolonged absences.

ABSENCE NOTIFICATION PROCEDURES

Parent(s)/guardian(s) must notify the school as early as possible on the day a student is absent unless previous notification has been given. To do so, call the school office at 419-358-7951 between the hours of 7:30 a.m. and 8:30 a.m. When calling or sending a note with someone, give the following information:

1. Student's name, grade and teacher.
2. Parent/guardian's name and relationship to the student.
3. Reason why student will be absent.

Notification must be done EACH DAY the student is absent unless prior notification of the length of the absence has been given. Bluffton Elementary School is responsible by State Statute to account daily for each child as part of the Missing Child Act. Therefore, should the school not receive a call by 8:30 a.m. and the student is not in attendance, the school shall:

1. Call the home to notify the parent/guardian. Leave message if no answer.
2. Call parent cell phone. Leave message if no answer.

The administration will use discretion in issuing letters of concern regarding the number of absences a student has accumulated, excused or unexcused. Parents/guardians will also be contacted if there are excessive tardies. Students may be assigned detentions if they have more than three tardies. For more information on tardies, see part 4 of this section on "late arrivals/early departures/tardies".)

EXCUSED ABSENCE

Below are six examples of reasons for an excused absence, approved by the school board and included in the Bluffton Exempted Village Schools Board Policy Handbook. The examples include but are not limited to:

1. Personal illness of the student.
2. Illness in the student's immediate family.
3. Death in the student's immediate family.
4. Quarantine for contagious disease.
5. Religious reasons.
6. Medical, dental or legal appointments.
7. Other circumstances or emergency situations which the principal deems legitimate.

If a student's absences (excused or unexcused) exceed **nine days within any nine week grading period** or **16 days within a school year**, a **medical certificate** will be required from a doctor upon return if the additional absences are to be excused. **It is a good practice to turn in all doctor medical excuses for your child's absences.** There may be special situations in which the principal will deal with each case on its individual merits, relative to exceeding the 16 day limit.

UNEXCUSED ABSENCES

Unexcused absences include, but are not limited to:

1. The student is needed at home.
2. Oversleeping/missed the school bus.
3. Car trouble of any kind.
4. Running non-emergency errands.
5. No notification by parent/guardian as to a reason for the absence.
6. "Personal reasons" (unless specific reasons are given and prior approval is obtained from the principal).

If a student's absences (excused or unexcused) exceed nine days within any nine-week grading period or 16 days within a school year, a medical certificate will be required from a doctor upon return, if the additional absences are to be excused. There may be special situations in which the principal will need to deal with a case on its individual merits, relative to exceeding the 16 day limit.

Schoolwork missed during an unexcused absence may not be made up; thus, the student may receive a zero on each assignment.

LATE ARRIVAL/EARLY DEPARTURE/TARDY

Students arriving at 8:10 a.m. and before 10:00 a.m. are considered tardy. Three tardies in a nine week period will result in a detention.

Students arriving after 10:00 or leaving before 2:00 p.m. will be counted one half day absent.

Students arriving late should check in at the office before going to their homerooms. Parents must check students out at the school office before students may leave.

Students having doctor or dental appointments causing them to be late or leave early will be excused but will be subject to the tardy or half day absent criteria. These tardies will be considered excused if a doctor's note is submitted to the office.

CHRONIC ABSENTEEISM

Chronic absenteeism, as defined by the Every Student Succeeds Act, is **missing 10 percent or more of the school year for any reason.** It includes excused and unexcused absences.

HABITUAL TRUANCY

Ohio law defines a habitually truant student as "any child of compulsory school age who is **absent without legitimate excuse for absence** from the public school the child is supposed to attend for **thirty or more consecutive hours, forty-two or more hours in one school month, or seventy-two or more hours in one school year.**" Truancy is different from chronic absenteeism. Truancy only counts absences without a legitimate excuse. Also, when a child is habitually truant, the district is required to follow several administrative procedures and legal solutions to ensure the student attends school regularly.

If a student is considered "Habitual Truant" an absence intervention team will meet with parent/s of the child to develop an absence intervention plan. If absences continue within a period of time designated in the plan then the school district is REQUIRED to file a complaint to the Juvenile Court.

Students who are truant and have failed two or more required courses at his grade level cannot be promoted unless the principal and teachers of the failed subject agree that the student is academically prepared for the next grade level.

EXCESSIVE ABSENCES

Ohio law specifies that a student is excessively absent "with a nonmedical excuse or without legitimate excuse from the public school the child is supposed to attend for **thirty-eight or more hours in one school month, or sixty-five or more hours in a school year.**"

FAMILY VACATIONS

Excused absences for family vacations will be restricted to a maximum of 10 days per year, and five days in any semester. If a vacation is planned during the school year, students must have a "Vacation" form completed and returned no later than one week prior to leaving (when the absence exceeds one day) if their absence is to be excused. **Teachers may request that work be**

completed prior to leaving or that the work be turned in upon return from vacation. Teachers also have the option to give assignments (covered during vacation) after the student returns from vacation.

Generally, students will not be excused from school for a family vacation during a testing week. However, special provisions may be made if, in the opinion of the principal, they are warranted. Third grade students will take Ohio English Language Arts tests on October 20-21. Students in grades 3-5 will take Ohio English Language Arts tests on April 5 & 7. Fifth grade students will take Ohio Science tests on April 20-21. Students in grades 3-5 will take Ohio Math tests on April 27-28. Achievement testing in second grade will begin the week of January 18th.

PROLONGED MEDICAL ABSENCES

Students unable to attend school for an extended period of time due to surgery or a prolonged illness but are still able to study at home are encouraged to contact the school to make arrangements for school work to be sent home, or, as appropriate, request (physician recommendation) a home tutor until the student can return to school

III. STUDENT CODE OF CONDUCT

Discipline should be a tool for building positive character in our students. Our goal is for students to be self-disciplined individuals who function successfully in society. Developing self-discipline is a shared responsibility of parents, students and school personnel.

It is essential to have appropriate communication among faculty, staff, students, parents, and administration when disciplinary action is required. Any parent concerned about student conduct and discipline should contact the appropriate teacher as the first step in resolving the situation. If additional communication is needed, a conference involving parents, teacher and the building principal may be requested by any involved party. The student involved in the incident may be involved in the conference if requested.

The principal can assign in school detention/s, after school detention/s, and/or **Saturday School**, extra class time from 8:30 to 11:30 a.m. on a Saturday, for severe or repeated behavior problems. Excessive tardiness and repeated failure to finish homework may also result in Saturday School. The Board of Education in compliance with State Law has adopted a Code of Conduct. Violation of this code may result in a student being considered for Saturday School or removal, suspension, or expulsion from school or school related activities. Parents may contact the office and request a copy of the Board adopted Code of Conduct Policy. Examples are noted below.

SERIOUS MISCONDUCT

1. Setting fire to or damaging any school building or property.
2. Bringing a weapon to school or having a weapon in one's possession at school (this includes a pocketknife).
3. Using obscene language or vulgar gestures.

4. Stealing or attempting to steal school and or personal property.
 5. Damaging another student's property.
 6. Assault or attempted assault.
 7. Fighting or threatening to fight.
 8. **Bullying/Cyber-Bullying/threatening behavior:** **Bullying** is any intentional written, verbal, or physical act that a student had exhibited toward another particular student more than once and the behavior both: a.) causes mental or physical harm to the other student; b.) is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student. A student who feels he/she has been a victim of bullying or harassment should immediately contact the principal and file a complaint.
 9. **Drugs and Alcohol:** Students shall not use, possess, transmit, sell or offer to sell, buy or attempt to buy, or conceal alcoholic beverages, narcotics or other drugs including counterfeit drugs, tobacco products, E-Cigarettes or any paraphernalia capable of being used to use drugs. Evidence of use of alcohol or drugs at school or a school-related event is a violation of the Code of Conduct.
 10. Repeated failure to comply with directions of school personnel.
 11. Disruption of school.
 12. Disrespectful behavior towards an administrator, faculty or staff member on the school grounds or off school property.
 13. Harassment (General/Racial/Sexual) on school property.
 14. Misconduct in the restrooms.
 15. Non-adherence to school rules relative to appropriate internet usage (using or directing others to use unacceptable sites).
 16. False Alarms or false 911 calls.
 17. Students shall not leave school grounds unless permission is granted by the principal.
- Bluffton students are expected to not only adhere to those rules regarding extreme behaviors which may result in dismissal but to adhere to a standard of respect toward self, others and property, whether in the classroom, hallway, cafeterium, restroom, playground and/or school related events.

CONDUCT RELATIVE TO DRESS

How students dress can lead to disruption of the school environment or reflect the seriousness of their academic endeavors. Student dress can also contribute to safety issues, particularly on the elementary school playground. At Bluffton, students are expected to be clean, dress neatly and in good taste at all times. Any student not meeting the standards of the dress code will be given appropriate clothing from the school's "used but clean clothing" closet, may be sent home and counted unexcused, and/or may be subject to further disciplinary action. **The following are not permitted:**

1. Bare midriffs (short tops) and/or lower back (low-cut pants).*
2. Halter or spaghetti strap tops.
3. Clothing advertising alcoholic beverages or tobacco products.

4. Excessively short skirts, dresses or shorts.*
5. Chains hanging from clothing.
6. Open toe sandals without a heel strap.
7. "Shower" shoes (flip flops).
8. Clothing with inappropriate language.
9. Heely shoes are not permitted.
10. Any clothing deemed inappropriate by the principal.

*Rule of Thumb: If/when the student raises his/her arms or bends over and the body is exposed, the clothing is not acceptable.

CONDUCT RELATIVE TO CARE OF BOOKS, VALUABLES AND PROPERTY

Students are responsible for the proper care of all textbooks and library books. If books are lost or damaged, the student is responsible for replacement or repair costs. "Stretch" cloth book covers should not contribute to book damage. Be sure that the covers are large enough for the textbooks being covered.

Each student is expected to assume responsibility for the care of all school property. Students who damage property whether accidentally or on purpose are responsible for paying for the damage. Disciplinary action will be taken by the school concerning malicious behavior that results in damages.

Students are urged to keep anything valuable (such as electronic games/devices) at home and are responsible for their personal property at school. The school cannot be responsible for the loss of valuable items of students.

PLAYGROUND CONDUCT

These rules are in effect during school hours but are expected to be followed at all times while on school property.

1. Not throwing of objects which would injure other students; no pushing, tripping, wrestling, fighting, or causing physical injury to another person.
2. Bullying or threatening behavior is not permitted.
3. Exclusion of others from organized games and/or use of equipment is not permitted.
4. Gymnastics is not permitted.
5. Playing Red Rover is not permitted.
6. Use all playground equipment safely.
 - A. No jumping from swings until they have stopped swinging.
 - B. One student to a swing – sitting down.
 - C. No running, chasing or playing tag in woodchip area.
 - D. Go down the sliding board feet first when it is clear to slide. Do not sit at the top of the slide, preventing others from using it.
7. The following places are off limits during school hours, except when school personnel have given permission: the bicycle rack; the alley; the steps to the furnace room; the meter near the first grade rooms; climbing the fence or trees.

8. Don't play with other students' clothing (e.g. snatching someone's hat or scarf).
 9. No skateboards, roller blades, Frisbees, bicycles, or baseball bats are permitted on the playground.
 - 10.No contact sports.
 - 11.No kicking of balls except during organized games.
 - 12.Hard balls such as baseballs and softballs are not permitted.
 - 13.No swearing or spitting.
 - 14.No snowball throwing or sliding on ice.
 - 15.Obey all school personnel.
 16. Remain on school property unless given permission to leave by a teacher, monitor or the principal.
- Any violation of these rules constitutes a violation of the Student Code of Conduct.**

CONDUCT OF WALKERS/BIKERS

Students **walking or riding bikes/scooters** to and from school are expected to be respectful of traffic rules, property and one another. When approaching a stop sign, students should stop, check for traffic and cross when it is safe. Students riding bikes should stop, get off their bikes/scooters, check traffic then cross the street. Traffic at Main Street and at the front of the school on Jackson is particularly busy before/after school and thus caution must be exercised by students in order to maintain the safety of everyone. If bikers arrive when the cars are unloading or leaving when walkers are leaving, the bikers should walk their bikes, rather than riding through crowds of students.

Bikes should be parked upright in the bike racks. Scooters should be folded and put into lockers/coat area. If a scooter does not fit in a locker/coat area, it must be left at the bike rack.

TRANSPORTATION AND CONDUCT

Students **riding to school by car** are to be dropped off/picked up in front of the school. The best time for dropping off is after 8:00 a.m. and picking up for dismissal at 3:00 p.m. Students should get into and out of cars from the curb side of the vehicle, not into the traffic lane. Students should not be dropped off in mid-street to walk between cars. They should go to the nearest corner and cross when it is safe. Students will be dismissed at 3:00 p.m. Students that ride a bus will be dismissed at 3:05 p.m.

The safety and welfare of each child **riding a bus** is of utmost importance. Therefore, bus drivers are responsible for discipline on their buses and will be supported by the administration when student behavior is deemed to be inappropriate. Students who refuse to conduct themselves properly may lose the privilege of school transportation for up to one school year.

In order to insure maximum safety in the operation of the school transportation system, the following regulations have been adopted as administrative guidelines. Parents of bussed students are asked to review and discuss the following regulations with their children:

1. Students shall arrive at the bus stop before the bus is scheduled to arrive.
2. Students must wait in a location clear of traffic and away from the bus stop.

3. Students at school bus stops must not threaten individuals or property of any individual.
4. Students must go directly to an available or assigned seat.
5. Students must remain seated, keeping aisles and exits clear.
6. Students must use classroom conduct, obeying the driver promptly and respectfully.
7. Students must not use profane language.
8. Students must refrain from eating, drinking or chewing gum on the bus.
9. Students must not use tobacco on the bus.
10. Students must not have alcohol or drugs in their possession on the bus, except for prescription medication required for the student.
11. Students must not throw or pass objects on, from, or into the bus.
12. Students must not open containers such as make-up, nail polish and glue while on the bus.
13. Students may carry on the bus only objects that can be held in their laps.
14. Students must not put head or arms out of the bus windows.
15. Students must not have matches, lighters, any flammable material or any objects that may interfere with the safe operation of a vehicle on the bus.
16. Students must not text message or use cell phones on the bus.

Bussed students are not to change buses to go home with another student, to a babysitter, etc. unless the change has been pre-arranged with the transportation supervisor. Because of insurance reasons, students who walk to school may not use the school bus to get a ride to a friend's house.

No transportation changes will be made after 2:00 p.m. for that day. Written notes by parent/s must be turned into the office by 9:00 a.m. for same day changes.

Information about busing or late busses, call the **transportation supervisor, Mr. Josh Kauffman**, (Middle School Principal) at **419-358-7961**.

IV. Academics - Student Achievement

Kindergarten will use a non-graded system for all areas. Grades 1-5 will receive U (Unsatisfactory), S (Satisfactory), or O (Outstanding) in art, music and physical education. Grades 1-5 use the following grading scale for all other subjects:

A+ = 100+	C = 77-80
A = 96-99	C- = 74-76
A- = 93-95	D+ = 71-73
B+ = 90-92	D = 68-70
B = 87-89	D- = 65-67
B- = 84-86	F = 0-64
C+ = 81-83	

PROGRESS BOOK

Progress Book is a web based program that parents may check their child/ren's grades (grades 1-12). Parent/s must obtain a password from the office to begin the process. The program is located on the Bluffton Exempted Village Schools website <http://www.blufftonschools.org/>. Please contact the elementary office if you have any questions.

GRADE CARDS

Grade cards are issued four times a year. These reports provide the parents with a record of their child's progress and achievement. Parents are asked to sign and return these cards. Signing the card does not mean that the parent is in agreement with the marks given, but it does indicate that the parent had the opportunity to see the report card. If there is a need for clarification or consultation relative to a child's progress, parents should contact the teacher for a conference. A student on an IEP will receive a progress report from the IEP teacher along with the homeroom grade card.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences can occur at any time, but there is an official conference time set aside each year in the fall for grades K-5. Information will be sent to parents following the first nine-week grading period, requesting preferences for conference times based upon parent schedules. Parents are encouraged to return the conference schedule information in a timely manner so that schedules can be set and parents notified of a final schedule. Conferences will be November 23 and 24. Parents wishing to schedule a conference at other times during the school year should contact the teacher directly to arrange for an appointment.

CLASS PLACEMENTS

Class placements are determined by the principal based on several factors. In priority, these are:

1. Academic Level – Attempts will be made to maintain a range of academic levels across homerooms.
2. The number of boys and girls in each classroom will be similar among all homerooms.
3. Teacher recommendations are primarily to separate students who need space from one another for one year and to insure a range of academic levels are maintained in each homeroom.
4. Special education needs may require a placement with a specific teacher after consultation with the IEP team.

Additional consideration will be made in a placement if a sibling or other relative is in the same grade level and the parent requests a separation. **See the principal by June 1st if one needs to share information that may affect placements. Once class lists are posted in August there will be no changes.**

THIRD GRADE READING GUARANTEE

Bluffton Elementary School annually evaluates the reading skills of each K-3 student by September 30th and identifies students who are reading below their grade level. A diagnostic assessment tool (STAR Reading which is approved by the Ohio Department of Education) is used to measure

proficiency that is appropriate for each grade level. Written notification will be given to parents or guardians of students who are reading below their grade level. Intensive reading instruction is provided to students immediately after they are identified as having a reading deficiency. A reading improvement and monitoring plan is developed and shared with parents within 60 days of receiving the student’s diagnostic results. By law, students that do not score proficient on the state third grade reading achievement test will be retained in third grade the following year. Intense remediation services will be provided by the district. The retained student will be placed with a high performing teacher. Also, the district will offer students a chance to receive applicable services from one or more providers other than the district.

Positive Behavioral Interventions & Support (PBIS)

Bluffton Elementary School has implemented a positive reinforcement “PBIS” system. **PBIS** is a proactive approach that schools use to improve school safety and promote positive behavior. The focus of **PBIS** is prevention, not punishment. At its heart, **PBIS** helps us teach students positive behavior strategies, just as we would teach about any other subject-like reading or math. The **goal of PBIS** is to create a positive school climate, in which students learn and grow. The **Core Principles of PBIS** are: schools can effectively teach appropriate behavior to all students, to intervene early, by using a multi-tier model. The behaviors to be taught and reinforced are to be safe, responsible, respectful, and kind. See PBIS matrix below and on the next page. These behaviors will be encouraged on the bus, in the cafetorium, playground, restroom, and the classroom.

V. HEALTH & SAFETY SERVICES & PRACTICES

SCHOOL NURSE

The school nurse's office is in the elementary building but the nurse serves all three buildings, with hours Monday through Friday, 8:00 a.m. to 3:00 p.m. If a parent desires a consultation with the nurse, the parent should contact the elementary school office and the nurse will be notified and will return the call as soon as she is available. The nurse works closely with physicians and health authorities and assists in carrying out the health policies of Bluffton Schools. Individual health records are maintained and notations are made for each visit to the nurse by a child.

In order for any medications (prescription or non-prescription) to be distributed by the nurse, it is necessary for the students to have prior written permission and directions from the doctor. No medication will be given unless sent in the original bottle with the proper form. Aspirin is not available in the school and teachers are not authorized to dispense medications (prescription or non-prescription).

FIRE, TORNADO, AND SAFETY DRILLS

Fire drills are conducted once a month for all students. Tornado practice is held monthly in April and May. School safety "Lock Down" or "Rapid Dismissal" drills are held at least three times per school year. There are annual inspections by the state Fire Marshall and Health Inspector and an annual Fire Safety week is held to promote safety at school and at home.

EMERGENCY EVACUATION

If there should be a need to evacuate students, the elementary students will go with their teachers to the Sommer Center at Bluffton University or another location permitted by administration. It will be announced through the alert system and parents may pick up their students. Parents must initial the student rosters kept

by the teacher for each of their children before taking them from the Sommer Center or other designated location.

SEARCH AND SEIZURE

In order to insure the safety and well being of all students, teachers, school employees and guests, it is the policy of this school district to authorize its administrators to search the clothing and personal effects of students where such a search is reasonable necessary under all the surrounding circumstances. Student lockers, desks, cabinets, and similar property are the property of the Bluffton Exempted Village Board of Education provided to students as a convenience for their use. Lockers and other such property carry no expectation of privacy for the students who occupy them. School lockers, desks, cabinets, etc. and their contents are subject to search by school authorities at any time and without warning. In order to conduct such a search, it is not necessary that the administrator have probable cause to believe that a crime or violation of a school rule has occurred. It is necessary only for the administrator to have reasonable suspicion to believe that a search will produce evidence that a student has violated or is violating a law or school rule. If such reasonable suspicion exists, an administrator may conduct a search of a student's person or personal effects including vehicles. The search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the possible infraction that may have or may be occurring. Dog searches using K-9 units from law enforcement agencies may be used to search the school building, parking lot and grounds.
